

Join our 100 Club

How it works

Membership costs £5 a month payable by Direct Debit. You may buy more than one membership if you wish.

The draw will take place on the 10th day of each month (or nearest working day if it falls on a weekend).

There are no administration fees involved, so you can be assured that all the money received will be shared between the charity and the prize winners. Proceeds will be split 40/60 each month. No need to claim.

Winners will be notified by email or by phone within 2 days of the draw taking place. Your prize money will be paid directly into your bank account. A list of winners will be emailed to all members and will be posted on our website. Don't delay - join today!
