

THE HOME-START GUILDFORD

100 CLUB PRIZE DRAW

Your **small** monthly contributions will help us to
bring a **BIG** change to local struggling families
– AND you stand to win monthly prizes too!

As they say: 'You've got to be in it to win it' – and if you're
'in it' the charity will gain from regular giving and you have a
chance to win a cash prize.

A win/win situation

How it works

Membership costs £5 a month payable by Direct Debit and you may buy more than one membership if you wish. You will be allocated your own unique number(s) which will be entered into each monthly draw.

The draw will take place on the 10th day of each month (or nearest working day if it falls on a weekend).

Proceeds will be split 40/60 each month... There are no administration fees involved with our scheme so you can be assured that all money will be shared between the charity and the prize winners.

40% will be prize money and

**60% will go to Home-Start Guildford to help us
continue our work supporting local families.**

No need to claim

Winners will be notified by email within 2 days of the draw taking place. Your prize money will be transferred directly to your bank account. A list of winners will be emailed to all members.

About Home-Start

Home-Start offers friendship and support – and so much more – to parents with children under 5 years old so that every child can have the best start in life.

Our trained parent volunteers know how hard it can be to bring up a family. Their experience can help other families. Some may experience quite severe challenges whilst others may just need a helping hand for a while. Every family's situation is carefully reviewed by our professional staff so that they may be matched with a volunteer with the relevant experience.

Our focus is on early intervention and prevention, reaching out to families at an early stage to ensure the support we offer has the best possible impact on their children.

**Parents helping other
parents – a simple idea
that really works!**
